**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Ive had ATT and Comcast in the past. We need competition from other broadband providers. Its also unfair to have so few companies to choose from. Always felt not only price gouged, but also that the service was sub par. I am so thankful for my fiber connection now. Please *dont* let AT&T and their trade association, USTelecom, take away access to critical unbundled network elements! We need more competition, not less!
